Windows Formatting Guide Using Disk Management with: Windows: Vista, 7, 8.x, and 10 Getting Started: Finding & Launching Disk Management Depending on the version of Windows you are using, the method of accessing the Disk Management window will be different. Note that the window styles in this document may differ from yours due to theme choice.

Thankfully, Windows Vista: The Missing Manual offers coverage of all five versions. Like its predecessors, this book from New York Times columnist, bestselling author, and Missing Manuals creator David Pogue illuminates its subject with technical insight, plenty of wit, and hardnosed objectivity for beginners, veteran standalone PC users, and those who know their way around a network.
