10 Cash Game Poker Tips for Dominating the Table

7/9/2018 · Bet small (1/4–1/3 pot) when you have two-pair+ or a very strong draw. Betting bigger risks chasing away all but the strongest hands. Fold with many more bluff-catchers, even against very small bets since your opponents are unlikely to bluff such unfavorable situations. Cash Game Tip 6: Bet a lot when you're heads-up and in position

Poker strategy - Wikipedia

The relationship between pot odds and odds of winning is one of the most important concepts in poker strategy. Pot odds are the ratio of the size of the pot to the size of the bet required to stay in the pot. For example, if a player must call \$10 for a chance to win a \$40 pot (not including their \$10 call), their pot odds are 4-to-1. To have a positive expectation, a player's odds of winning ...

Poker - Wikipedia

Poker is any of a number of card games in which players wager over which hand is best according to that specific game's rules in ways similar to these rankings. Often using a standard deck, poker games vary in deck configuration, the number of cards in play, the number dealt face up or face down, and the number shared by all players, but all have rules that involve one or more rounds of betting.
