Charge Wizard, 4-Stage Battery Charging System

Our patented Charge Wizard 4-stage system uses microprocessor technology to add intelligent charging capability. It constantly monitors the RV battery and automatically adjusts the converter output voltage based on the battery's charge status – designed to eliminate battery over & under charging problems associated with most other battery chargers and provide rapid yet safe battery ...

Creating Projects | Qt Creator Manual

To specify dependencies, use the Add Library wizard. For more information, see Adding Libraries to Projects. Binding Keyboard Shortcuts to Wizards. If you use a wizard regularly, you can bind a custom keyboard shortcut to it. Triggering this keyboard shortcut will directly open the wizard without the need to navigate to File > New File or Project.
