Widely used and highly recommended, Wuest's Word Studies in the Greek New Testament offers a wealth of knowledge and insight on the majority of the Greek New Testament. Originally in 16 volumes, Wuest offers in-depth analysis of the meanings of the original Greek word, considering the context of the the original words with the idioms placed in their cultural settings.

Includes topical word and devotional studies, book studies on most of Paul's epistles, and Wuest's New Testament—An Expanded Translation. Wuest used interpretative material based on the Greek text, some original with the author and some selected from other Greek authorities such as Marvin Vincent and Henry Barclay Swete.
