End-of-the-Year Test - Grade 5 This test is quite long, because it contains questions on all of the major topics covered in Math Mammoth Grade 5 Complete Curriculum. Its main purpose is to be a diagnostic test: to find out what the student knows and does not know. The questions are quite basic and don't involve especially difficult word problems.

By the end of Year 5, students classify substances according to their observable properties and behaviours. They explain everyday
